

Welcome to round one in the Cosmic Collisions series—a children’s book debut from astrophysicist [Dr. Marc Kuchner](#).

COSMIC COLLISIONS

Asteroid

vs.

Comet

There’s a comet speeding in from the outer solar system, and it’s about to slam into an asteroid! Who will be left standing after this interplanetary smackdown? Kicking off a dynamic series on cosmic collisions, *Asteroid vs. Comet* compares the two opponents and encourages readers to use real science to form a hypothesis. Then...**KA-BLAM!!** With action-packed, full-color illustrations by [Matt Schu](#).
